## **BENEFITS**

Thank you for being a part of the Madison Area YMCA community! There are so many great benefits to our new online registration system, ACTIVE Net. We want to make sure that you take advantage of the added convenience for you and your family. The online portal has many great benefits and is extremely easy to use:

### **REGISTER ONLINE AT YOUR OWN CONVENIENCE**

- Forget standing in line for hours to sign up for a class. Go online from any wireless device at any time of the day to register for programs, make a payment, manage your profile and so much more.
- Receive registration reminders and sign up to receive text message alerts when a game or program is canceled at the last minute.

### **EASILY FIND WHAT YOU'RE LOOKING FOR**

- With a robust program search, find a program by keyword, age, day, time, location, etc. You may even discover a new class along the way!
- Find a class you would love to take, but registration isn't open yet? Save the class to your Wish List! Once registration opens, you can simply add your Wish List items to your cart.

### **MANAGE YOUR ACCOUNT**

- Manage your account, profiles and programs from your computer, tablet or smartphone.

### **KEEP YOUR PERSONAL INFORMATION SAFE AND SECURE**

- All customer account information is encrypted in the database, strong passwords are enforced by the application interface and ACTIVE Net has numerous layers of security to ensure your privacy.

### **PAYMENT MADE EASY**

- ACTIVE Net automatically calculates promotions, membership rates, financial assistance, credits and more.
- Use your credit card to make easy and secure payments online. You can also track payments and print out receipts and tax information when you need it.
- Make payments, donations and receive receipts online. With ACTIVE Net, forget the hassle of writing out a check, marking it down on your calendar and in your checkbook, mailing in your payment and making sure it is received.
