

# COMMUNITY IMPACT

## JANUARY – OCTOBER 2022

The Madison Area YMCA has been supporting our community since 1873. Our ability to persevere over the past year is built on a foundation 149 years in the making. It is propelled by the energy, compassion and steadfast determination of Y staff, volunteers, community partners and donors like you who kept our mission strong.

### SOCIAL RESPONSIBILITY

**\$25K+**

was donated by Madison Area YMCA staff in support of the Y's Annual Fund.

**100**

lives saved from blood drives hosted at the Y and 50 households supported from essential item collections, year to date.

**\$114K**

of tuition assistance has been raised to support F.M. Kirby Children's Center families in 2022.

**\$2.6K**

Average amount of financial assistance provided to families each week for summer day camp.

### YOUTH DEVELOPMENT

**200+**

children participate in early childhood education and child care at our F.M. Kirby Children's Center each month.

**30**

children, teens and their families received mental health counseling each month at Project Community Pride.

**177**

children per week attended summer day camp this summer.

**68**

Youth and teens take part in our dedicated Special Needs Programs.

**64**

School-age children served per month in After Care programming.

**86**

gymnasts on our nationally ranked Rosettes Gymnastics team.

**260**

current swimmers on our Mariners Competitive Swim Team (ages 6-18).

### HEALTHY LIVING

**450**

Virtual Group Exercise classes were accessible via Y Wellness 24/7, this year, as an added benefit to membership.

**72**

weekly Group Exercise classes with 800+ participants each week.

**3K+**

Personal Training and Pod Sessions in 2022.

**30**

participants in Paths to Wellness chronic disease programs each week.
