

CHANGE STARTS WITH YOU

ABOUT

The Madison Chatham Coalition is a community prevention organization funded by the Office of National Drug Control Policy in partnership with the Centers for Disease Control. Community members and partner organizations come together to address underage drinking and the illegal use of marijuana through the implementation of effective, evidence-based prevention initiatives.

MISSION

Prevent and reduce youth substance use in Madison and Chatham through education, collaboration and community-wide change.

ENGAGE

12 sectors of the community to work towards a common goal

EMPOWER

Youth to make and keep healthy choices free from drugs and alcohol

PREVENT

Youth substance use by implementing environmental strategies
